A unique location only accessible by chairlift. Taking the chairlift to the top is a unique and unforgettable experience for you and your guests. Depending on the season and if you're lucky, the cows might come and greet you at the top.

We organize and coordinate the chairlift ride up and down the mountain. The schedules are flexible and adaptable to your needs. We partner with different bus companies to help you with the transfer from the hotel to the bottom of the chairlift.

Bride and groom can book a bespoke drive, in a beautiful Ford old-timer, horse carriage, or antique postal bus to make your journey intimate and extra special.
